## **Marin Arts & Crafts at the Marin Center: *The Handcraft of Design***

This February 24-26 the *Marin Arts & Crafts Show* returns to the Marin Center Exhibit Hall, once again featuring over 200 artisan exhibits, workshops, fine foods and live music. Inspired by the *Arts & Crafts* movement, the show is a grand celebration of today's makers and artisans, bringing focus to handcraft in all forms.

*Marin Arts & Crafts Show* offers handcraft of design --a range of jewelry, artwork, woodwork, ceramics, clothing, and objets d'art --designed, made and offered for sale by independent artisans and studio artists. The exhibits bring together traditional techniques, natural colors and sustainable materials, which imbue design with quality.

The handcraft of design encompasses a vast list of artisan categories, along with original products offered only at this show, including textiles, stained glass, furniture, ceramics, metalwork, jewelry, recovered architectural objects, repurposed wood and iron, clothing, artifacts, estate finds, photography, paintings, and sculpture.

Get in the creative spirit and take part in a series of interactive workshops, such as *plein air* painting, decorative painting, and mixed media. While shopping, enjoy complimentary wine tasting by small boutique winery *Haven Stead*, chocolate and specialty food sampling, artisan demonstrations, and live music.

*Marin Arts & Crafts Show* celebrates the makers of our time with a nod to craftsmen of the past. Browsing the many artisan exhibits, you'll find products made with meticulous detail, natural materials, and brilliant colors. Everyday items that are both beautiful and useful, presented by the artists and artisans themselves.

Come browse the vibrant showcasing of handcrafted wares and join the celebration! Shop, play, and take in all the creativity. There is no charge for admission or parking. Friday through Sunday, February 24 - 26, at the Marin Center Exhibit Hall, 10 Ave of the Flags, San Rafael, CA. Hours are 10am to 6pm Fri - Sat, 10am to 5pm on Sunday.
