Artisan Handcraft is Back at Pasadena Bead & Design Show

Pasadena Bead & Design Show is back and better than ever! From July 23 through 25, the ballrooms at the Hilton Pasadena will once again be filled with artists, artisans and tradespeople -showcasing the finest in handcraft. Everyone is welcome to shop, mingle, learn and take in all the creativity.

This first in-person show since the start of the pandemic promises to go all out, bringing back longtime show favorites as well as new exhibitors and emerging artisans. Additions to the show include a series of mini workshops, as well as many new comprehensive workshops. Attendees can try their hand at jewelry making techniques and skills such as wire work, collage, art clay, mixed media, miniature paintings, kumihimo, and more.

Traditional and contemporary bead artists, handcrafters, and tradespeople will showcase products inspired not only by the handmade movement of today but also the movements of the late 19th century, such as *Arts and Crafts* and *Art Nouveau* –handcrafts made with careful, meticulous detail, natural materials, and brilliant colors. Products range from handcrafted beads, jewelry, and art clothing to antiquities, trade beads, and vintage findings.

Pasadena Bead & Design Show has been a staple in the community –exceedingly popular with gallery owners, designers, crafters, and all those who appreciate handcraft. We are thrilled to announce the show's return and can't wait to see everyone there!

Show hours are 10am - 6pm, Friday through Sunday, July 23-25. Tickets are \$8 in advance or \$10 at the door. Location is Hilton Pasadena, 168 South Los Robles Ave, Pasadena CA. For more information go to www.beadanddesign.com, follow us on Twitter, or like us on Facebook.

About Us Garan-Beadagio, LLC produces 14 annual shows in Pasadena, Santa Monica, Walnut Creek, San Rafael, and Tucson. While each one promotes artisanship, handcraft, and design in its unique way, they share the tradition of offering the public the widest range of artisan creations to be found anywhere.
